- **Scholarship Committee Update:** Applications went live today, Feb. 15th, and will remain open through March 21st. All social media platforms will be used to get the information out to students including emails, Aggie Parent Social Media Pages, websites, etc. All members are encouraged to share the website information. Students can login to their Howdy account to get transcript information sent to the Scholarship Committee. There was a question about Essays and a possible problem with their submission on the Scholarship Forms. This will be brought to the attention of the Scholarship Chair. Parents were encouraged to have their students reach out to the Scholarship Committee email if they have any questions.
